

Poster Session

Knowledge Discovery and Data Mining 2 (VU) (706.715)

Roman Kern

ISDS, TU Graz

2018-06-22

Poster Session Opening

- Please put your poster on
 - ▶ ... wall, windows, poster stands
 - ▶ Keep a bit of space to you colleagues
- Time
 - ▶ Posters will be attached starting at 16:00
 - ▶ Poster session will officially start at 16:15
 - ▶ Poster session will end after
 - ★ Most visitors are no longer interested
 - ★ Lecturer had a look at your poster
- Poster voting
 - ▶ Posters voting will not affect the grading

Guidelines - Poster Presenters

- Please stay close to your poster
 - ▶ At least if there are interested visitors around
 - ▶ If no visitor is nearby, you may ask other poster presenters
- Give a visitor a few seconds to read the poster
 - ▶ The visitor may then choose to move on (to the next poster)
- After a while, ask the (interested) visitors, if you should talk them through the poster
 - ▶ Give a very quick overview of what you solved (**problem**), and what the **results** are (is the problem solved)
 - ▶ Then go into the details of how you tackled the problem, how the data looks like, and detail of approach, and how you evaluated your solution
- Allow the visitors to ask questions

Guidelines - Visitors

- Please vote for your favourite poster
 - ▶ Each poster has a number
 - ▶ Please use the number to vote for your preferred poster
 - ★ Only one vote per person
- Please provide feedback to the poster presenters
 - ▶ Please be constructive and friendly

Poster Session Closing

- If there are no more interested visitors
 - ▶ The poster session is finished
- Poster presenters: You may take the poster with you
 - ▶ The posters will be made available on the course web site
